Ministry Representative of Celebrate Messiah New Zealand

Messiah in the Passover

This sermonic demonstration of the ancient Passover Seder meal powerfully reveals the sacrificial ministry of Jesus as the Lamb of God, and uncovers the roots of the Christian communion, using the very elements God prescribed for the Seder itself. The demonstration is approximately 35 minutes long, and will segue meaningfully into a communion service, if desired. Many churches prefer to host a complete Passover Banquet (Seder), often on a Friday or Saturday evening. The three-hour banquet is an unforgettable hands-on journey through the "Last Supper," which was, in fact, the Messiah's last Passover Seder...until He returns!

The Feast of Trumpets and The Day of Atonement

We will examine the Feast of Trumpets (Rosh Hashanah) and the Day of Atonement (Yom Kippur), how these Biblical holy days were observed in Biblical times, how they are celebrated in Israel today, and what parallels we can draw to Jesus of Nazareth. We will also discover the prophetic significance of these feasts.

The Mystery of God's Relationship with the Jewish People

This message will take us on a journey to discover how we need the "face of God shining upon us" (Numbers 6:24-26) and how awful it is when the opposite is the reality. To this day God has his face hidden from the Jewish nation; however, a great hope will be fulfilled in the future.

A Lesson from the First Martyr

Stephen gives a speech in front of the Sanhedrin in Acts 7. In his defence he provides priceless insight into Israel's history, placing emphasis on the parallelism between Joseph, Moses, and Jesus. Was Jesus treated differently? Did history repeat itself? How is this relevant to us?

Modern Israel and Biblical Prophecy

What role does the secular state of Israel play in end-time events? Does the Bible have anything to say about the modern state of Israel? Is the stage being set for the apocalyptic future in our lifetime? In this message we examine the importance of modern Israel in biblical prophecy and shows how it is key to future events.

of salvation for us all through His Son, the Promised Messiah of Israel?

God's Ancient Plan of Salvation for Mankind

Examining the prophecy of Daniel 9:25-27 will reveal amazing truths about events both past and of the future. Come, wonder at the God who knows and reveals the end from the beginning!

Israel in the End Times

A glorious future awaits Israel once the whole nation repents. In this message we take a detailed look at Revelation 12 to learn what circumstances will take place right before that time.

Beliefs in Israel during Jesus' Day

In this message we will encounter the worldview in the land of Israel at the time of Jesus: Different sects that operated and are mentioned in the New Testament, how Jesus countered these, and how we can avoid being entangled by the sects operating today.

Who Was Jesus of Nazareth?

Jesus questioned His disciples, "But who do you say that I am?" It is a question as relevant today as it was 2000 years ago. Was he divine or merely a man? Or perhaps both God and man. In this message we will look closely at what John 1:1-4 teaches about who Jesus really was.

The Ultimate Worship

How do believers live in a way that truly pleases God? We will carefully examine the command of Romans 12:1, and consider what it means to be living sacrifices. Applying this in the right way is key to the rest of our walk as believers.

The Future Worship in the Millennial Kingdom (seminar)

Ezekiel 40-48 gives a detailed picture of a temple in Jerusalem that is yet to come. How will we worship God during the future reign of Messiah Jesus and how the world will change when he comes again? (3-6 hours long)

The Ministry of Jesus in His Second Coming

Most people want world peace, but do they realize it's sure to come? Unlike the Messiah's first coming, His second coming will be dramatic and at the 11th hour, then Jesus will rule the nations with a "rod of iron," and will bring about true world peace. But is that all we know about Jesus' ministry upon His return? In this message based on Isaiah 61:2b-4, the activities of the Messiah in His second coming will be unveiled.

The Requirements to Inherit God's Kingdom

In this message we look closely at Mark 10:17-27, Jesus' encounter with 'The Rich Young Ruler'. Can anyone achieve entrance into the Kingdom of Heaven by his ability to obey the law strictly? What about a rich, Jewish Pharisee? If anyone would be considered a perfect contender, he would definitely be one. But the gospel from Jesus himself leaves no room for anyone to achieve entrance into God's kingdom on their own merit and ability to conform. Only God is able to make the impossible possible. "With man it is impossible, but not with God. For all things are possible with God."

I Am Not Ashamed of the Gospel

In this message we will carefully examine Romans 3:21-26 to discover the true gospel and how to communicate it to others.
