

ISRAEL

& God's End-time Prophetic & Redemptive Purposes

Session Three: It's late & It's Urgent

20. There is none like you, O LORD, and there is no God besides You, according to all that we have heard with our ears.
21. And who is like Your people Israel, the one nation on earth whom God went to redeem to be His people, making for Yourself a name for great and awesome things, in driving out nations before Your people whom You redeemed from Egypt?
22. And You made Your people Israel to be Your people forever, and You, O LORD, became their God.

1 Chronicles 17:20-22

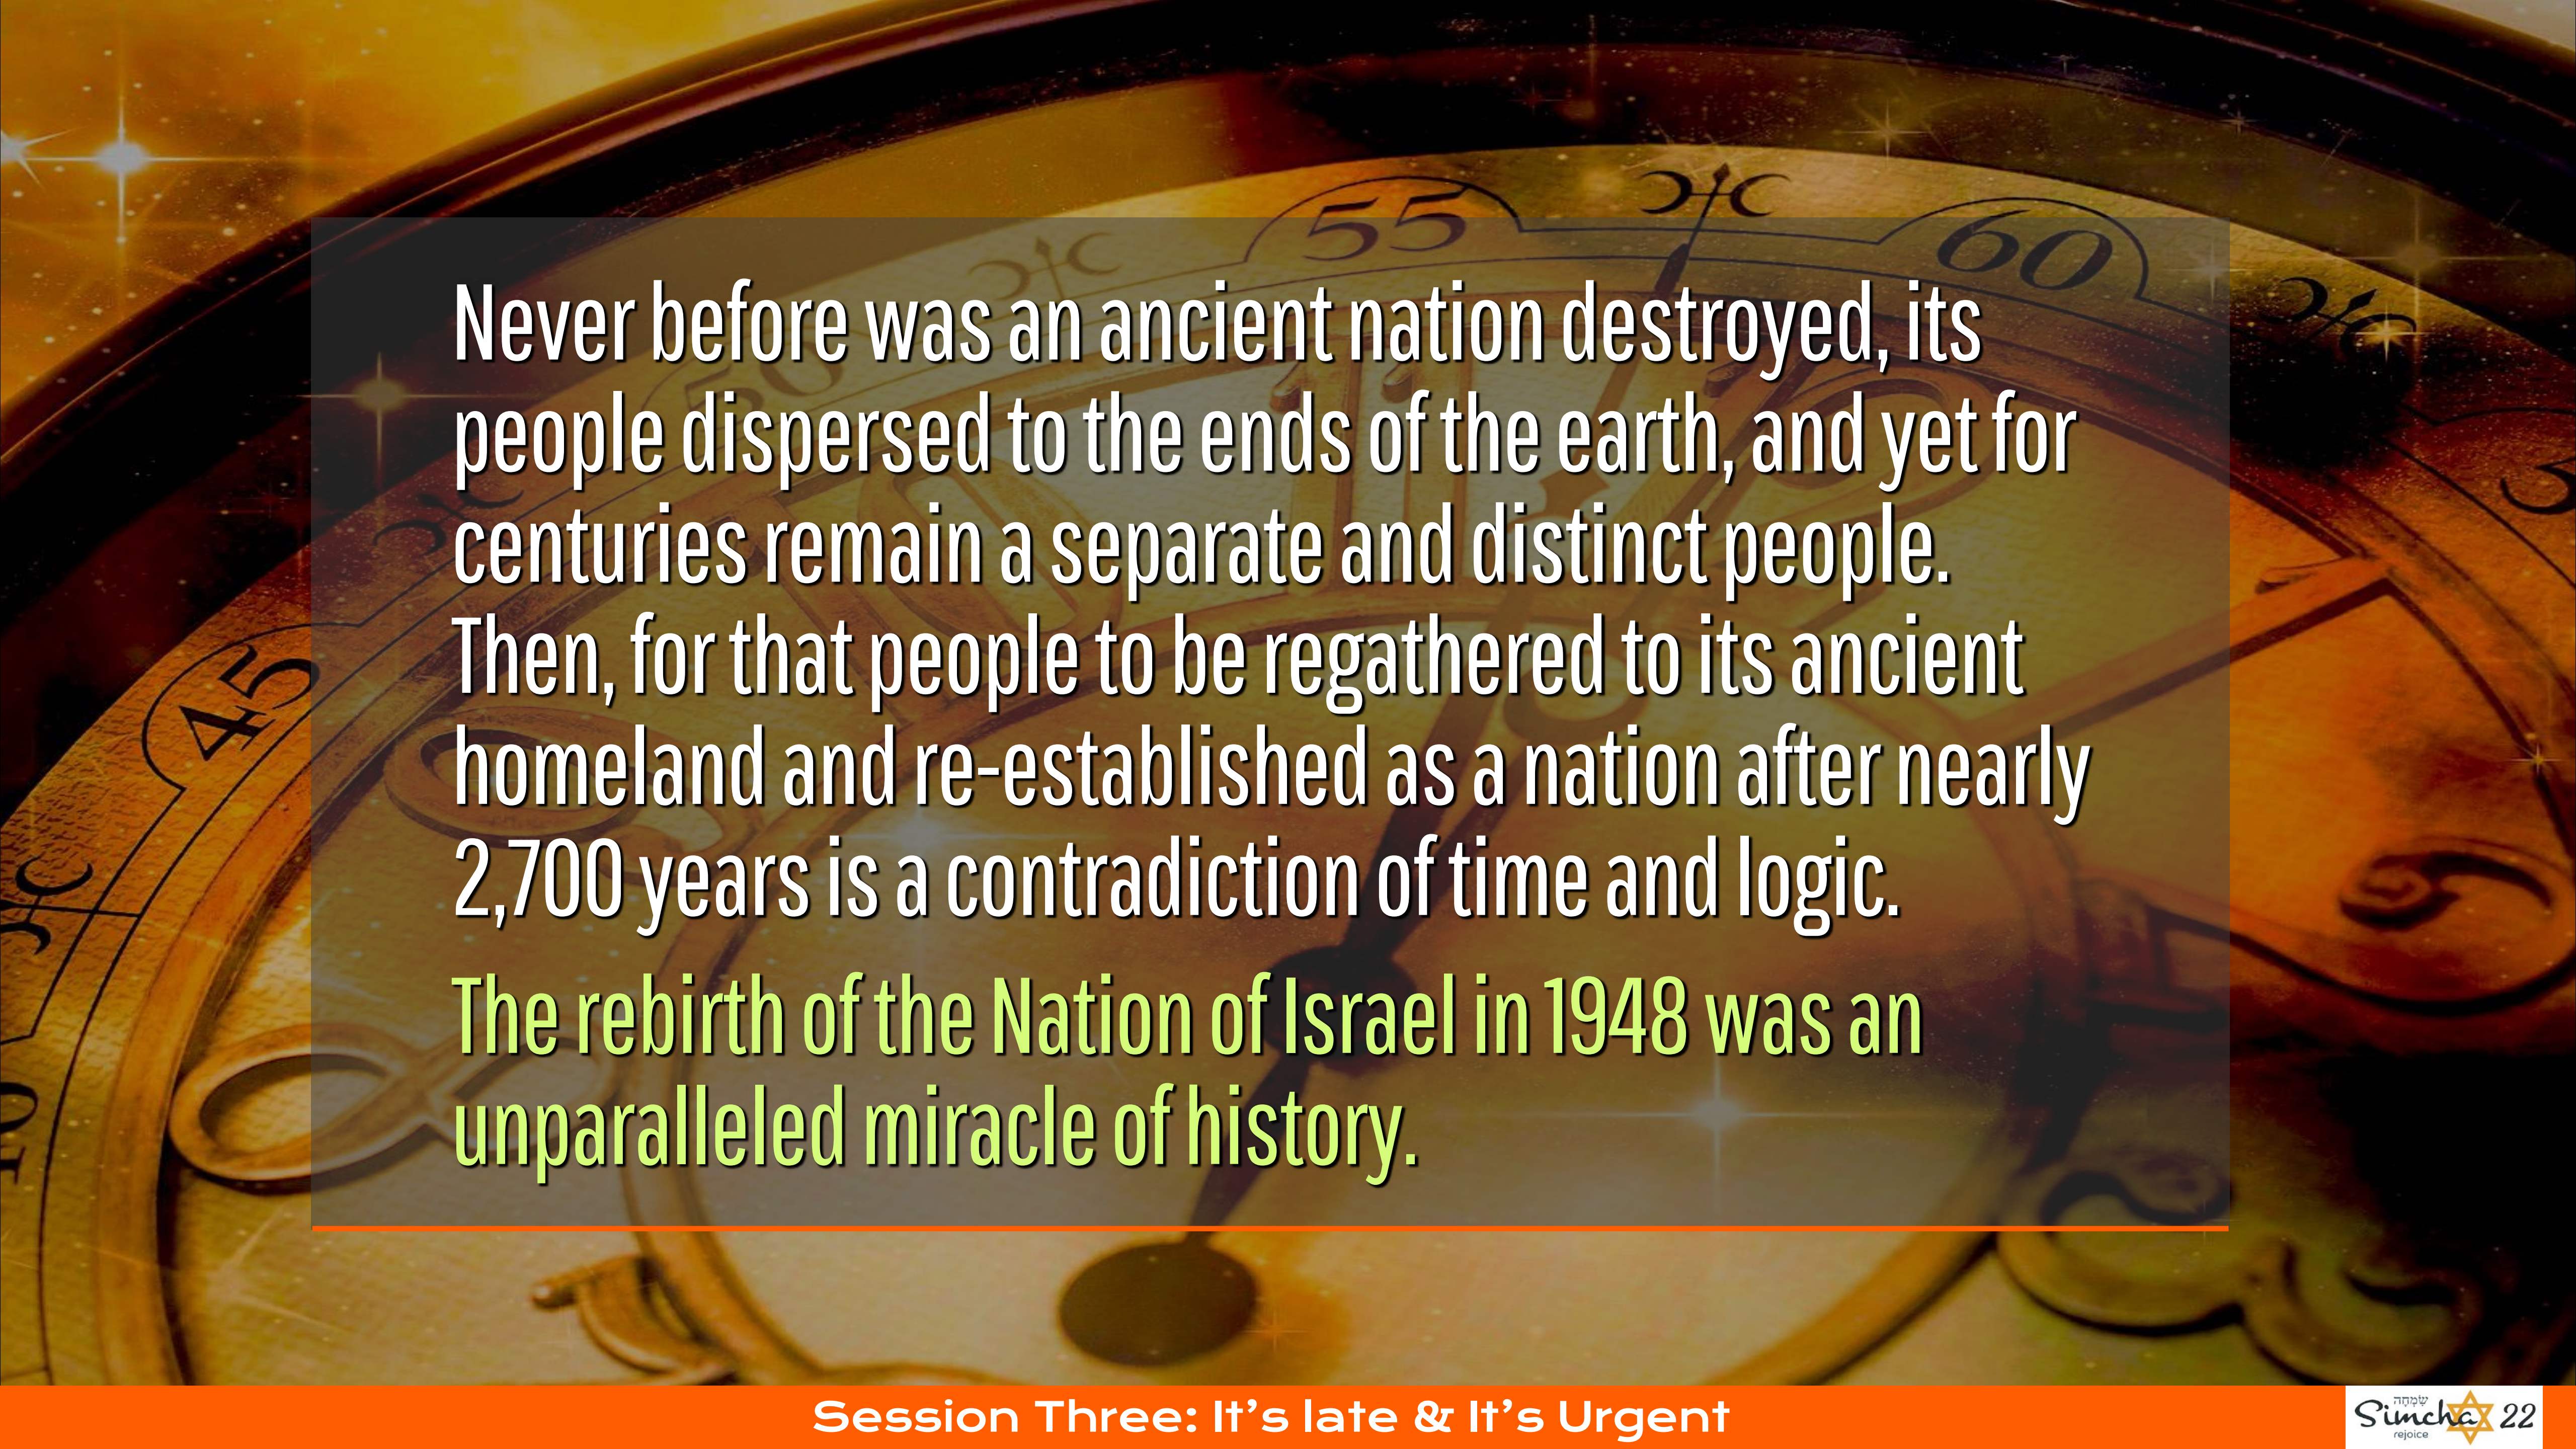

23. And now, O LORD, let the word that You have spoken concerning Your servant and concerning his house be established **forever**, and do as You have spoken,

24. and Your name will be established and magnified **forever**, saying, 'The LORD of hosts, the God of Israel, is Israel's God,' and the house of your servant David will be established before You.

1 Chronicles 17:23-24

Session 3: It's Late & It's Urgent?

- Israel restored as a nation & back in the land God gave them

Never before was an ancient nation destroyed, its people dispersed to the ends of the earth, and yet for centuries remain a separate and distinct people. Then, for that people to be regathered to its ancient homeland and re-established as a nation after nearly 2,700 years is a contradiction of time and logic. The rebirth of the Nation of Israel in 1948 was an unparalleled miracle of history.

”

The restoration of Israel is God’s “super-sign” of the end times.

John Walvoord

Without the existence of the nation of Israel, we would not be able to say with certainty that we are in the last days. That single event, more than any other, is the most prominent sign that we are living in the final moments before the coming of Jesus.

Milton B. Lindberg

2. Behold, I am about to make Jerusalem **a cup of staggering** to all the surrounding peoples. The siege of Jerusalem will also be against Judah.
3. On that day I will make Jerusalem **a heavy stone** for all the peoples. All who lift it will surely hurt themselves. And all the nations of the earth will gather against it.

Session Three: It's late & It's Urgent

We actually decided to take the U.S.G.S. data, millions of data points. Spent months downloading it, analyzing it, graphing it, studying it. The results were absolutely terrifying. [...] This is the compiled data from the U.S.G.S. from over the last 100 years. Keep in mind that we're not talking about the millions of micro-tremors that can now be detected from the distribution of more numerous and sensitive sensors but strictly data from the larger earthquakes that can be felt by people beginning at 6.3 and up on the Richter Scale that could be easily detected by early 19th century sensors from virtually anywhere in the world. This data shows ... that the earthquakes are increasing in intensity and they are increasing in frequency. This is exactly the description that was prophesied.

WORLD GOVERNMENT SUMMIT 2022

WORLD GOVERNMENT SUMMIT القمة العالمية للحكومات

Klaus Schwab

While the media and governments dismiss concerns about a **New World Order** as “conspiracy theories”, world leaders and corporate representatives are holding public summits discussing how to shape a **“New World Order”** in real time.

The latest example is the World Government Summit 2022, where the leaders of global institutions, corporations, governments, finance, academia, media, and technology gathered in the United Arab Emirates capital of Dubai on March 29-30 to discuss how to implement what they called a **“New World Order.”**

We are on the brink of a dramatic change where we are about to, and I'll say this boldly, we are about to abandon the traditional system of money and accounting and introduce a new one. And the new one; the new accounting is what we call blockchain... It means digital, it means having an almost perfect record of every single transaction that happens in the economy, which will give us far greater clarity over what's going on.

Pippa Malmgren, Economist at the World Government Summit 2022

N.B.: the CHRISLAM “cross”

Chrislam - One World Religion

15th September, 2022

Pope Francis and Mohamed Bin Zayed have now instituted Chrislam as the Official One World Religion at every level. The 7th Congress of Leaders of World and Traditional Religions, ratified the Human Fraternity document created by Pope Francis of the Vatican, and financed and promoted by Mohamed bin Zayed of the UAE. Guess who they forgot to invite to the festivities? Jesus Christ, His Name appears nowhere and is never mentioned.

Somewhere at this very moment on Planet Earth, the Antichrist is almost certainly alive - biding his time, awaiting his cue. Is that banal sensationalism? Far from it. That likelihood is based upon a sober evaluation of current events (in & before 2005) in relation to Bible prophecy.

When the time has come for his surprising world takeover, precipitated by an unprecedented global crisis, he will be hailed as the world's saviour, and so he will appear to be.
